"LAND REGISTRY ACT"

WHEREAS under the provisions of Order in Council No. 447, approved April 5th, 1941, regulations were made governing the registration in the Land Registry Office, Vancouver, of the title to leases granted by the Crown in the right of Canada to parts of the foreshore and bed of Burrard Inlet:

And whereas under the provisions of Order in Council No. 472, approved April 8th, 1941, the provisions of the regulations enacted by the first-mentioned order were extended to the registration of the title to leases granted by the Crown in the right of Canada to any part of the foreshore and bed of New Westminster Harbour, being all the foreshore and bed of the Fraser River, including all its various channels west of the west boundary of the Dominion Government Railway Belt, extending on the North Arm to a line drawn north astronomically across said arm from the north-west corner of Lot Seven hundred and fifty-eight (758), Group One (1), New Westminster District, and on the main river to a line drawn across said river from the north-east corner of Lot One hundred and thirty (130), Group Two (2), New Westminster District, to the southerly south-east corner of Section Seventeen (17), Block Four (4) north, Range Four (4) west:

And whereas the Registrar of the New Westminster Land Registration District reports that Trans Mountain Oil Pipe Line Company is applying to Her Majesty in the right of Canada for a grant of easement or right-of-way over a portion

of the bed of the Fraser River lying within the limits of New Westminster Harbour as hereinbefore defined, for the purpose of laying its pipe-line in the bed of the Harbour:

And whereas the Minister remarks that it is in the public interest that the title to easements and rights-of-way granted by the Crown in the right of Canada over the foreshore and bed of New Westminster Harbour should be registered under the provisions of the "Land Registry Act" in the same manner as leases comprising the foreshore and bed of New Westminster Harbour are registered, and that accordingly regulations should be made under the provisions of section 257 (2) of the "Land Registry Act" to permit the registration of such easements and instruments of title derived therefrom:

His Honour the Lieutenant-Governor in Council has been pleased to order that, pursuant to subsection (2) of section 257 of the "Land Registry Act," the following regulations be made:—

(1) Upon application being made under the provisions of the "Land Registry Act" for the registration of title comprised in any easement or right-of-way covering part of the foreshore or bed of New Westminster Harbour as hereinbefore defined, derived from the Crown in the right of Canada, and where no certificate of indefeasible title has been issued covering the land comprised in the easement or right-of-way, the Registrar, upon being satisfied that the applicant has a good safe holding and marketable title thereto, and upon deposit of the original grant in his office, and upon payment of the same fees chargeable in respect of easements now registered under the "Land Registry Act," shall register the title claimed by the applicant by entering a memorandum of the easement or right-of-way in the register prescribed under the provisions of Order in Council No. 447, approved April 5th, 1941.

(2) Where the easement or right-of-way has been so registered, the title conferred by any instrument of assignment or charge in respect of that easement or right-of-way may, upon application and upon payment of the proper fees, be registered by endorsement of a memorandum thereof in the same folio of the register in which the easement is registered.

(3) The entry of the memorandum in accordance with the provisions of the preceding paragraphs shall have the same effect as if the Crown in the right of Canada had applied for and obtained a certificate of indefeasible title to the land described in the easement or right-of-way, and the easement, right-of-way, assignment, or charge were registered against the title in accordance with the provisions of the "Land Registry Act."

(4) Where an application is made for a certificate of indefeasible title to any land comprising any part of the foreshore or bed of New Westminster Harbour as hereinbefore defined and there are entries in the register affecting the title to the land, the application shall be subject to such entries, and the Registrar, upon issuing a certificate of indefeasible title to the land, shall forthwith carry forward the title created by the entries in the register by endorsing a memorandum thereof in the appropriate register containing the certificate of indefeasible title to the land, effective from the time of registration and in the same order of priority as the entries were made in the register, and thereupon the register defined in paragraph (1), in so far as it affects the land in respect of which the certificate of indefeasible title has been issued, shall be closed.

(5) The provisions of the "Land Registry Act" shall *mutatis mutandis* extend and apply to registrations applied for and effected under the provisions of this order.

And that notice of this order shall be published in five consecutive issues of the Gazette and the order shall become effective on completion of the publication therein.
